Regulations

IMPORTANT: A solarium may entail to purchase a municipal permit or be subject to specific building codes. It is the consumer's responsibility to inform themselves of any restrictions.

Safety Information

It is important to read and follow all safety information prior to assembly of the unit as well as during usage to reduce risk of injury and avoid damage to the product and its surroundings.

It is highly recommended to avoid installing and settling the solarium in a corridor of heavy wind.

- 1: You must schedule enough time to complete the assembly of the solarium which will take approximately 7 hours to set up. For safety issues you must not leave the unit unattended if it is not completed, even if it is already anchored to the ground.
- 2: A minimum of 3 people are required to assemble the gazebo .
- 3: The unit must be assembled on a level platform (wood deck, stone tile or concrete) and must be anchored using appropriate screws for that flooring.
- 4: To avoid damages the assembly of the unit should be constructed no less than 5 feet from any fixed obstruction.
- 5: Some assembly parts contain sharp edges; you should wear protective gloves when handling these items.

IMPORTANT : Failure to follow any of the above instructions will void the warranty.

For any assistance regarding your solarium warranty, contact the customer service department of the Club Piscine store where you purchased your product.

Maintenance

Check periodically that the solarium is anchored properly to the floor or ground to enjoy its safe usage.

Check periodically that all screws are tight to maintain the solidity of the structure.
