Please install the middle two shutter first.
Veuillez d'abord installer les deux volets du milieu.

Make the shutter as vertical.
Faire en sorte que l'obturateur soit le plus vertical possible.

×4 times
x4 fois

23

Please install the pergola on flat and firm ground.

To avoid any possible issues when installing other accessories in the future, please tighten all expansion bolts after making sure horizontal and vertical dimensions are correct.

A 12mm diameter SDS-plus hammer drill bit is included in the package.

You may have to use your own drill bit if it does not fit your drill.

La pergola doit être installée sur un sol plat et sec. Pour éviter tout problème lors de l'installation ultérieure d'accessoires, veuillez serrer tous les boulons d'expansion après vous être assuré que les dimensions horizontales et verticales sont correctes. Un marteau perforateur SDS-plus de 12 mm de diamètre est inclus dans le paquet. Il se peut que vous deviez utiliser votre propre foret s'il n'est pas adapté à votre perceuse.
